MooneyEverett
SOLICITORS

Specialists in family law

Mooney Everett solicitors has extensive experience of handling all types of relationship disputes.

Our family law experts can help you deal with the issues you face, provide information, advice and support you can trust.

We can help you take control and start to build a brighter future ...

We offer a professional yet personal service that will ease the stresses and strains of relationship problems. When a relationship ends, a couple need the right advice and support – not just from friends, family and colleagues, but from skilled professionals who are best placed to offer guidance.

Collaborative law

Mooney Everett is one of a small number of solicitors in West Lancashire that offers an alternative approach to settling disputes in the courts through the use of collaborative law.

Speak to us for further information.

What our clients say ...

“You have been the voice of calm throughout my divorce proceedings, offering a considered, logical and non-confrontational way forward, thank you.”

“Thank you for your advice and support over the last year.”

“It was sometimes a very trying time, but you always came up with the right solution.”
